TRANSLATION

This leaflet provides information about your area and local facilities

Welcome to St Mary's Path Estate

We are delighted to welcome you and your family to St Mary's Path Estate.

We hope you will find this leaflet informative and useful. It contains information about your local area. Our aim is for you and your family to enjoy living in your new home.

MOVING IN

Moving home can be stressful and in the hectic run-up to the big day it is all too easy to forget something important. For example, have you:

- ◆ Arranged meter readings and disconnections at your existing home (if applicable)
- ◆ Registered your details as the new occupant of the address with utility companies
- ◆ Informed friends and family, your bank, your children's school, etc. of your new address
- ◆ Returned the keys of your old home to the landlord and remembered to keep the keys of your new home safe at all times
- ◆ We do not keep spare keys to your home.

RUBBISH DISPOSAL & COLLECTION

Your rubbish is collected twice weekly on Monday and Thursday. Recycling is collected on Wednesday.

The Council also collect bulk rubbish by prior arrangement, their contact number is 020 7527 2000. Please make sure that the item is kept inside your property until the day of collection, failure to do so will encourage fly tipping (rubbish dumping).

CLEANING & GROUNDS MAINTENANCE

The communal areas are cleaned on Monday, Tuesday, Thursday and Friday by Business and Office Cleaning.

ESTATE INSPECTIONS

ISHA carries out monthly Estate Inspections of all the communal areas.

Why not join your Tenancy Services Manager, Geoff Henson and your Estate Officer, Laurence Ahmed on these inspections.

See your notice board for dates and times.

CAR PARKING

Please contact Alexander Netherton on 020 7704 7390 for further information.

LOCAL TRANSPORT LINKS

Angel Tube Station is 5 minutes walk and buses are available on Essex Road and Upper Street.

LOCAL TODDLER GROUPS

For further information please contact:
Netmums
www.netmums.com/
