Come and say hello to our Resident Scrutiny Panel

This independent group of residents monitor and improve the services ISHA provides, raising the resident voice to influence strategic decision making.

Members will be at the Neighbourhood Nights to listen to your views and gather important feedback.

Don't just take it from us, turn over to see what our residents have said about our Neighbourhood Nights...

What residents have said...

“

Events like these make it all so much easier.

”

“

It was so nice to come out and meet other people from the neighbourhood. I really am keen to be involved and take part in as many opportunities to improve ISHA as I can. Community is how I grew up; it means a lot.

”

“

Everyone was so friendly and listened to what you had to say.

”

“

Great communication, compassionate staff and a productive use of my evening.

”

“

There was an opportunity to meet staff face-to-face. The location was convenient.
