# Welcome

Dear Candidate,

Thank you for your interest in joining the Board of Islington and Shoreditch Housing Association (ISHA). We are delighted that you are considering contributing your skills, insight, and passion to our work. With over 90 years of history, we remain firmly committed to meeting the needs of the diverse communities we serve in Hackney, Islington, and Waltham Forest.

ISHA is unique in its community-focused approach and its commitment to neighbourhood-based services. We currently manage more than 2,300 social and affordable homes and more than 400 leasehold properties. This breadth of services ensures that we provide housing that meet a range of needs while fostering strong, vibrant communities.

This is an exciting time to join us. With our new Chief Executive Pippa Fleetwood-Read joining us in late 2025, we are continuing to build on our proud legacy of delivering high-quality, affordable homes in North and East London.

As a result of planned Board succession and the completion of current members' terms of office, we are excited to be seeking to appoint three new Board members to join our inclusive and collaborative Board. For these roles we seek candidates with experience gained in the social housing sector in the following areas:

**Role 1: Strategic asset management.** You will bring a broad perspective on the strategic management of housing assets, including financial performance, alongside familiarity with current legal, regulatory and building safety requirements.

**Role 2: Business performance.** You may bring a corporate services background or similar, and will have experience of overseeing and driving business performance across a range of functions and a good understanding of risk management and internal controls is desirable.

**Role 3: Housing services.** Experience gained either as a social housing resident or through delivery at a senior level of housing services to tenants.

We welcome applications from experienced and new Board members alike. We do expect our new Board members to share both our deep commitment to our tenants and customers, and to continuing the positive, inclusive culture and values we hold dear at ISHA.

Thank you once again for taking the time to explore these opportunities. I hope the information in this pack inspires you to take the next step, and I very much look forward to the possibility of working with you.

Warm regards,

**Bob Heapy**  
Chair

# About ISHA

Islington and Shoreditch Housing Association (ISHA) is a community and neighbourhood-based housing organisation, managing and developing quality affordable housing for people in North and East London and building homes in Hackney, Islington and Waltham Forest. ISHA is a registered society under the Co-operative and Community Benefits Society Act 2014.

ISHA is smaller and more local than many other housing associations operating in London. The roots of ISHA go back to 1933 when we were involved with tackling slum clearance, poverty, overcrowding, ill health and high rents. Today we employ 90 staff and have over 2,300 social and affordable homes.

We work in close co-operation with our local authorities, the Regulator of Social Housing, the Greater London Authority (GLA) and other local housing associations, including Black and minority ethnic, special needs Housing Associations and co-operatives. Investment in development is provided by the GLA. ISHA leads the North River Alliance (NRA), which is a consortium of North and East London community-based housing associations.

We have a G1 Governance rating and V2 Financial Viability rating from the Regulator of Social Housing.

We currently have three Board committees – Audit & Risk, Property Investment and People. They focus on supervision and monitoring, policy, risk and financial control. Board Members normally sit on at least one committee as well as the Board.

Our resident scrutiny panel is also a formal part of our governance structure and reports to the Board twice per year. It works jointly with residents, staff and Board members to challenge ISHA's services and achieve positive outcomes for the benefit of ISHA and its residents.

# Our Strategy

New board members will be joining the association at an exciting time. From April 2026, we launch a new corporate strategy with a refreshed mission and values and targeted activities which are focussed on delivering high quality homes and services for our residents. Our 2026-30 strategy has two overarching themes: People (residents and colleagues) and Place (homes and communities). Underpinning these themes are firm foundations of strong financial resilience and governance and improving our systems, data and performance monitoring.

## People: residents

To fully understand our residents so we can properly tailor services, support them to sustain their tenancies and thrive in their communities

To improve our core services for all residents so they can enjoy their homes

## People: colleagues

To invest in colleagues and culture to attract, retain and develop a cohesive team

To enhance our approach to performance management.

## Place: homes

To provide safe and well-maintained homes with a trusted responsive repairs service.

To progress the energy efficiency of our homes to be more affordable for residents

To build quality, affordable new homes in our heartlands.

## Place: communities

To maintain and enhance communal and shared spaces.

To tackle ASB and hate crime sympathetically and effectively.

To work to understand our communities to develop and deliver our strategic aims around place and community investment.

To build trusted local, regional and national partnerships to deliver more.

## **Our mission:**

To provide high quality homes and services and contribute to thriving communities.

## **Our values:**

---

Motivated to deliver

---

People focused

---

Compassionate

We live by our values and are proud of the diversity of our communities. We strive to create spaces where residents can live happily, feel included, be respected and be themselves. We are committed to providing secure, welcoming, and friendly environments and communities, free from racism, sexism, sexual misconduct, violence, bullying, and any form of sexual, physical, verbal or emotional abuse by staff, residents, contractors, or stakeholders, either in person or online.
